Apple Tree Group has announced that Philippe Arnaud will be the new general manager of the **Sanctum Inle Resort** in Myanmar's Inle Lake region. Arnaud, a veteran of the hotel industry, has managed several resorts and boutique hotels in France.

Settled on the shores of Inle Lake, The Sanctum Inle Resort offers guests a variety of onsite activities, tours, spa services, dining rooms and more. The property hosts two gourmet restaurants, The Refectory and The Cloister Bar, which give guests the opportunity to explore the local cuisine. Guests can enjoy an organic meal of locally-grown fruits and vegetables at The Refectory or a Myanmar-brewed beer at The Cloister Bar.

The resort's Sanctuary Spa has six air-conditioned treatment rooms, a reception space, a Thai massage room, a couple's room, a foot massage patio and a relaxation garden. For spa appointments, visit sanctum-inle-resort.com/the-resort/facilities/the-sanctuary-spa/.

Although the resort urges its guests to disconnect from the world during their stays, The Chapter House offers guests ample work space, Internet access, a library and more.
