Inle Resort to Open

The first upscale hotel to come on line in one of Myanmar's most compelling tourist destinations will officially debut Oct. 1 when 94-room Sanctum Inle Resort holds its grand opening on the shores of Inle Lake. An Olympic-sized swimming pool overlooking the lake, the 150 square metre presidential Sanctuary Suite and a Shan and international cuisine restaurant, The Refectory, are among the new features to be unveiled as part of the Brigitte Dumont de Chassart-designed resort's grand opening. "In a region long closed off to the wider world, we're opening the doors on an experience of accommodation that celebrates removal and contemplation," said Philippe Arnaud, the resort's general manager. "Our location invites this sort of mind-set, and our design does, as well." Opening room rates start at \$285. sanctum-inle-resort.com.

Mellow Mauritius Spas

The Navasana Spa at the Outrigger Mauritius Beach Resort has introduced a range of 15 new treatments using essential oils from Aromatherapy Associates of London. The expanded menu offers new treatments, for both men and women, as well as locally inspired offerings, such as Mauritian massage, wellness personalised massages, whole-body scrubs, new body wraps and more holistic treatments. The menu is launched under the guidance of the resort's renowned Reiki master, Jeeten. "The result for men or women is beautiful, glowing, healthy skin free from harsh chemicals and unnecessary synthetics," says Jeeten. "At Navasana Spa, we aim to share the true power of essential oils and the incredible effects they have at a therapeutic level." outrigger.com.
